

Welcome to Atlanta,

Thank you for the opportunity to assist with your relocation.

Atlanta is a great place to call home. It combines the lively dynamics of a progressive city with the gentle slow pace of the old South. We are committed to our community and have a deep personal interest in the customers we serve.

Our goal is to provide individualized service to each client. Our Team is dedicated to you. To that point we have developed the attached questionnaire to help make your relocation hassle free.

Please complete the attached form and return it to us. This helps us to assess your lifestyle needs and preferences. We tailor our services to meet the unique needs of each client.

Respectfully Yours,
